Attached is a draft Council Motion re. economic development incentives related to a proposed hotel use at 1330 W. Pico Blvd. in CD-1. I have more detailed background information on the proposed development and can make myself available to discuss further if you'd like.

We have asked Roberto Mejia to prepare a land-use motion re. initiating a General Plan Amendment to facilitate entitlements for the same site.

It would be ideal to introduce both at the same time at next Wednesday's session, if at all possible, and refer both to Committee.

Thanks, ggg
